December 2024

Dear Friends of St. George Table,

As the holidays approach, our hearts and minds turn to feelings of gratitude as we reflect on the happenings of 2024. We at St. George Table are so grateful for the progress made this year toward our new home in the Hearts of Palm Center scheduled to break ground in early 2025. We are equally grateful for the partners who, in the meantime, have opened their doors to us and embraced the work of St. George making it possible to remain true to our mission of feeding the hungry.

You may wonder...just who are the hungry served by St. George Table? Some are unsheltered and have no place to call home. Others are simply food insecure and unable to make ends meet from one paycheck to the next. Many arrive by foot, some from miles away, while others come by car during their lunch hour. They are young, old, and somewhere in between, but all are seeking a nutritious meal to bridge the hunger gap through the day. They are the ones who would otherwise go without if it were not for the nearly 90,000 meals distributed this year alone by St. George Table. And they are grateful, as evidenced by a heartwarming smile or word of thanks that says it all.

So at this time of year, we echo the sentiments of those we serve as we express our appreciation to you, our donors, who make it all possible. As you consider thoughtfully your year-end giving, we ask that you would keep St. George Table in mind. The compassion through giving shown by our supporters makes all the difference in the world to those who need it most. On behalf of St. George Table, we thank you in advance for your generosity, and we wish you every blessing this holiday season.

With gratitude,

Rigo Garcia
